LOGISTICS SERVICES DIVISION  
WEEKLY REPORT  
PERIOD ENDING 5 JANUARY 1983

I. Progress Report on Tasks Assigned by the DCI/DDCI:

No items this reporting period.

II. Items/Events of Major Interest:

1. Fine Arts Exhibit: "Africa Remembered," a photographic journey depicting scenery, nature closeups, and native life accompanied by regional crafts is being displayed in the exhibit corridor of Headquarters building from 5-31 January. The photographer, [redacted] (OL), shot the more than 100 pictures in east, west, and south Africa [redacted]

2. Vehicle Armoring: Armoring of the Toyota Cressida for [redacted] has been completed and is pending inspection by the Office of Security. [redacted]

3. Classified Trash Pickup: The Office of Security has tentatively agreed to provide an FPO on Tuesday and Thursday evenings of each week to escort BSB personnel in making additional classified trash pickups primarily at the [redacted] Buildings. This has become necessary due to the increase in volume of classified trash as well as additional pickup points on the runs. [redacted]
